**Re: Certification of General Conformance – Interim Letter  
Site Plan Application No. SP.1430.0385/01  
2333-2343 Khalsa Gate  
Oakville, ON**

The purpose of this letter is to advise you that we have inspected the above noted development project on September 1, 2023, however further construction completion and inspection is required to confirm that it is in general compliance with the site servicing and site grading shown on the following drawings:

- Site Servicing – Drawing No. SW-S, sealed and dated July 15, 2022 – Rev. 30, Issued for Permit
- Site Grading Plan – Drawing No. SW-G1, sealed and dated July 15, 2022 – Rev. 30, Issued for Permit
- Grading – Cross Section – Drawing No. SW-G2, sealed and dated July 15, 2022 – Rev. 30, Issued for Permit
- Grading – Cross Section – Drawing No. SW-G3, sealed and dated July 15, 2022 – Rev. 30, Issued for Permit
- Interim Streetscape Plan – Drawing No. SW-G4, sealed and dated July 15, 2022 – Rev. 30, Issued for Permit

We are tentatively expecting to be able to provide general conformance by fall of 2024.

If you have any questions, please call Andrea Dasek at 416-997-1117.

Yours sincerely,

Andrea Dasek, P. Eng.
