

Public Engagement Opportunity

Saville Area Stormwater System Improvement Study Preliminary Proposed Stormwater Management Pond at Seabrook Park

Time: May 8th, 2024 from 6:30 pm to 8:00 pm
Meeting Location: Seabrook Park Playground

Study Overview

The Town of Oakville has initiated a study in the Saville Neighbourhood Area to identify drainage deficiencies and to explore opportunities for stormwater system improvements. Preferred options to improve drainage and reduce the potential for flooding will be proposed.

This study is being undertaken as a Schedule B Project under the Municipal Class Environmental Assessment (EA) Process, approved under the Ontario Environmental Assessment Act.

Preliminary Preferred Solution at Seabrook Park

A component of the preliminary preferred solution is a stormwater management pond within Seabrook Park. The proposed pond includes a permanent pool of water with natural surroundings planted with

Town of Oakville | 1225 Trafalgar Road, Oakville L6H 0H3 | 905-845-6601 | oakville.ca

a mix of trees, shrubs, perennials, grasses, and aquatic vegetation on gentle slopes. The existing playground and baseball diamond can continue to be park features in conjunction with the stormwater management pond.

Seabrook Park Site Meeting Detail

To provide residents in the vicinity of Seabrook Park an opportunity to visualize the proposed pond, a site meeting is scheduled for:

Wednesday May 8th, 2024
6:30pm to 8:00pm
Seabrook Park Playground
569 Swann Dr, Oakville, ON L6L 3W9

Prior to the meeting, general location of the Stormwater Management Pond and walkways will be marked. Local councilors and Town staff will be available at the meeting to answer any questions.

Previous Public Information Centre

On March 20th, 2024, a Public Information Centre was held at Queen Elizabeth Park Community Centre for the Public to review project problems/opportunities, existing conditions, alternative solutions and preliminary preferred alternative solutions. Display boards presented at the PIC can be reviewed on the Project Website: <https://www.oakville.ca/home-environment/environment/environmental-projects-studies/saville-area-stormwater-system-improvement-study/>

Your Input is Important!
